To Whom It May Concern.

Financial Squirrels have provided book keeping services to Grace Beauty since July 2014.

Financial Squirrels manages our book keeping services to the highest level. Tasks include creditor and debtor reconciliation via Xero, bill payments, taxation management incorporating GST, PAYE and company tax affairs.

No task is ever overlooked or left short in application. Nothing is ever a problem for Jo and her team

They are without question early adaptors of technology and consistently making recommendations as to how Grace Beauty can make improvements around our financial operations and processes.

The level of communication is high, emails and phone calls are always replied to within a short period of time, we are a fast moving business and this is most important to us.

We get on with growing our business while knowing our book keeping duties are being managed in a professional and business-like manner.

Congratulations Financial Squirrels- In a galaxy of stars you are the brightest of them all...

Kind Regards
